of the Orders referred to in the G.O dated 11 May 1907. W/28/6/17

10) I have seen them and though a Servant of a Dt Board is not technically a Govt Servant, he is so for practical purposes - The benefits of the State life insurance Scheme were thrown open to Servants of Municipalities and Dt Boards long before the inauguration of the new Scheme under which non-officials are eligible for insurance - It appears to me that a person employed by the Dt Board may well be called an employee in the service of the State.

11) Further all pounds are under the Control of Dt Magistrates; and the jurisdiction exercised over these institutions by Dt Boards is merely an account of the delegation to them of the powers of Dt Magistrates -

12) The employment of a European even as a pound-keeper, appears to require the Sanction of the Govt of India -

Office of the President, District Board,
Bangalore District,
Dated, Bangalore, the 12th June 17.

From

Muhammed Zahiruddin Mecci, Esq., B.A.,
President, District Board,
Bangalore District.

To

B. Ramaswamaiya, Esq., B.A., B.L.,
Offg: Secretary to the Government of His Highness
the Maharaja of Mysore, Revenue Department.

Sir,

I have the honour to state that Mr. Upshan, the Chairman of the Whitefield Settlers who had been appointed as Pound-Keeper of -- Whitefield Cattle Pound died in June 1916. When he was seriously ill his brother wrote to the Amildar, of Bangalore about the same and -- thereupon, the patel of Hogadur was directed to take charge of the -- said Pound.

During my inspection of Whitefield and the Cattle Pound in question, it was ascertained that the present Pound-Keeper (Hogadur Patel) was not discharging his duties properly.

Father Doyle one of the District Board Members also wrote a letter to me that the said pound had virtually been closed and that the District Board were losing its income etc., and recommended that Mr. C. Bluchard might be appointed as pound-keeper. The Amildar of the Bangalore Taluk who was directed to report in the matter has reported that the present Pound-Keeper says that he finds it impossible to look after the Pound duties in addition to his own and that he does not know English, and recommended that Mr. H.E. Kelly, Honorary Secretary might be appointed as Pound-Keeper.

Mr. C. Bluchard is ascertained to be a European and not a pensioner and as Pound-Keeper will receive only 20% commission on Pound

I solicit instructions however as to whether Mr. C. Bluchard may be appointed as Pound-Keeper of the Whitefield Pound.

Sir,
